Woodsmen Stories is pleased to offer programs for your group / association. All programs feature the extensive talents of E Gale Buck as follows:

Santa's Woodsmen - Gale offers original stories that will bring the Magic of Christmas to life. For younger audiences we offer "A Day With Santa", almost like walking through the village at the North Pole with the man in the red suit. As a member of the real-bearded Santa community he will listen to your dreams and wishes and deliver them promptly to Saint Nicholas. Attire: subject to season and event.

Woodsmen Stories - family suitable tales chosen from a vast array of original stories that will make you laugh and cry as they reveal the magic in our everyday lives. Attire: casual.

A Highland Adventure - music of the Great Highland Bagpipes presented with over 40 years experience and woven with tales of highland adventures. Attire: kilted as appropriate for season and event.
